

MEMORANDUM FOR: Mr. George C. Miller

Per our agreement at the meeting on 27 June 1963.

Please note that the attached brochure was prepared for internal NPIC distribution. Because the CIA R&D Review Board has indicated a strong interest in the Center's development activities, it is being made available to the Board members. It is requested that discussions of the information contained in the brochure be held only with other members of the Board.
